

# Irish Simmental Cattle Society

## Sire Catalogue 2009

### Available Sires

Council has decided to publish no evaluations for any bull with a suckler beef value reliability under 25% or blup under 25% reliability

As data is ever changing please check the following websites for the latest updates

[www.irishsimmental.com](http://www.irishsimmental.com) [www.britishsimmental.co.uk](http://www.britishsimmental.co.uk) [www.icbf.com](http://www.icbf.com)

Every effort has been made to ensure the accuracy of all information contained therein, however Council accepts no responsibility for any error but will make necessary corrections at the first available opportunity
