# SIMMENTAL SIRE DIRECTORY 2025

Welcome to the ISCS Sire Directory for 2025. Council have again compiled the attached list of bulls for whom semen is available through the AI network.

To appear on this listing bull must be A.I. coded or have an application pending, having reached the full DAFF health standards and have semen available for distribution through an approved A.I. center.

**Royalty Sires** - Please note that a number of bulls listed have a royalty price included. This means that for any pedigree registration from these bulls an additional registration charge as listed applies.

**Disclaimer: Every effort has been made to ensure the accuracy of all the information within this Sire Directory. Council will not accept responsibility for any errors contained in this Sire Directory but will make the required corrections at the first available opportunity.**
